

Mightex Application Note Award

Mightex Application Note Award is established to encourage research students and postdoc researchers to share their research with other researchers, in the form of Applications Notes based on research results made possible using Mightex's equipment.

\$1000 USD each

The names, affiliations and submitted application notes (including photos, videos and diagrams etc) of all winners will be acknowledged/published on Mightex's website.

Note: All applications for the Mightex Application Note Award will automatically be entering the Mightex Research Excellence Prizes for the same year (if submitted before the Mightex Research Excellence Prizes's deadline of September 30), or for the following year (if submitted after the deadline).

Eligibility:

Applicants must be:

- Full-time undergraduate, graduate, or post-doctoral researchers;
- Affiliated with an educational or research organization, anywhere in the world; and
- Using Mightex's equipment in their scientific research.

Application deadline:

Mightex Application Note Award has no application deadline, and it is open throughout the year.

What you need to do:

Eligible entrants are required to submit:

- a short (up to 3 pages) application note that includes videos or photos with a brief description of how the unique solutions offered by Mightex are helping to shape scientific advances.

Please see the application form on the next page:

1. Fill in the application form and complete all required fields
2. Upload your application form along with the supporting material.
